What is Pathways Awarua?

Pathways Awarua is a free, fun and easy way to strengthen your reading, writing and listening skills, using everyday contexts. You can choose from general, trade or service pathways and from over 130 modules. The Reading pathway has Starting Point modules, including modules for English language learners.

The Wordfit modules increase your vocabulary knowledge of 1000 everyday words and collections of specialised words, including Te Reo Māori.

Anywhere, anytime, any device.

Pathways Awarua is available on your computer, tablet, or smartphone.

Download apps for Reading, Writing and Listening on the **App Store** and **Google Play**. Once you log in, they work with or without an internet connection, giving you more opportunities for learning – at the bus stop, in your lounge, in the park. You choose!

How do the modules work?

Each module helps you build your essential skills using everyday problems. You can read the questions yourself, or the audio can read them to you.

The modules are engaging and interactive. If you get an answer wrong, you get feedback straightaway, and you can try as many times as you need to. Modules get harder as you move along thereading, writing and listening pathways. Your progress is tracked so you know where you are at.
