

# Road Code Pathways Awarua

## Finding it hard to learn the road code?

There is a lot to learn about safe road use to become a licenced driver. Pathways Awarua helped me make sense of it all with free online learning. The interactive content makes understanding the road rules and learning to drive safely both easy and fun ... the way it should be!

## What is Pathways Awarua?

Pathways Awarua is a free, fun and easy way to improve your numeracy and literacy skills online, within a real life context, such as learning to drive.

In collaboration with NZTA, Pathways Awarua has developed a **Road Code** pathway that helps you prepare for your driver licence.

There are 56 modules that cover the skills needed for your learner and restricted licences. Learn at your own pace, earn points and certificates as you go.

## Anywhere, anytime, any device.

Pathways Awarua is available on your computer, tablet, or smartphone.

Download apps for tablets on the **App Store** and **Google Play**. Once you log in, they work with or without an internet connection, giving you more opportunities for learning – anywhere, anytime (except when you're driving)!

Other pathways are available to help you improve your essential skills in reading, writing, listening and maths.

## How do the modules work?

Module content covers the licence process; and important road skills such as scanning for hazards, reading road signs, how to give way, driving to the conditions and how to keep safe on the roads.

The modules are engaging and interactive. You can read the questions yourself, or the audio can read them to you. If you get an answer wrong, you get feedback straightaway, and you can try as many times as you need to. Your progress is tracked so you know where you are at.

Try a road code module on [www.GoPlacesNow.co.nz](http://www.GoPlacesNow.co.nz)

## How do you register?

You can enter Pathways Awarua through [www.GoPlacesNow.co.nz](http://www.GoPlacesNow.co.nz) or the short way **gpn.nz** Click on the registration button. Choose a username and password.

If you have a 'join code' from your educator/employer enter it, otherwise choose the 'no join code' option. Once registered, select a pathway and start learning.

**Need help?** There is live chat to offer support.

**Like us** on Facebook to find out more about updates and promotions. You could even win an iPad!
