2. Enter the name of your school. If your school is not on the list, click the link and request to be added.

3. Complete the rest of the form and click **Register**. Keep a record of your username and password.

4. Your class' unique join code is on the welcome page, and will be emailed to you. This is the code you give your students.

5. Now you are ready to upload or invite students to join your class. We highly recommend you check out the PD modules on *How to use Pathways Awarua* to familiarise yourself with the interface and the available functionality.
