

Health & Safety Pathways Awarua

Do you understand all the rules and regulations around keeping yourself and others safe at work?

Pathways Awarua helps make sense of the *Health & Safety at Work Act* with free online learning that makes it easy to learn and put into practise everyday.

What is Pathways Awarua?

Pathways Awarua is a free, fun and easy way to improve your numeracy and literacy skills online, within a real life context.

The Industry Training Federation and Worksafe New Zealand contributed to the development of the **Health and Safety** pathway to provide an opportunity for workers to learn the principles of the *Health and Safety at Work Act* and their role in workplace safety.

It's all about keeping yourself and others healthy and safe. It's easy to register and get started!

Anywhere, anytime, any device.

Pathways Awarua is available on your computer, tablet, or smartphone.

Download apps on the **App Store** and **Google Play**. Once you log in, they work with or without an internet connection, giving you more opportunities for learning – anywhere, anytime, any device.

Other pathways are available to help you improve your essential skills in reading, writing, listening and maths.

How do the modules work?

Module content covers workplace inductions, hazards, risk assessment and reporting, safety equipment, incident reporting and common risks.

The modules are engaging and interactive. You can read the questions yourself, or the audio can read them to you. If you get an answer wrong, you get feedback straightaway, and you can try as many times as you need to. Your progress is tracked so you know where you are at.

Try a Health & Safety module on www.pathwaysawarua.com

How do you register?

You can enter Pathways Awarua through www.GoPlacesNow.co.nz or the short way gpn.nz Click on the registration button. Choose a username and password.

If you have a 'join code' from your educator/employer enter it, otherwise choose the 'no join code' option. Once registered, select a pathway and start learning.
